

REMARKS

Brackets have been removed from claim 35-38.

Regarding the Statement of Inoperativeness of Original Patent (Inventor) ("Statement"), we are submitting a copy of the updated statement which includes the updated duty to disclose language as defined in 37 CFR 1.56 as requested by the Examiner. The enclosed Statement has been signed by two of the three inventors. The third inventor has not been reached yet, but once we are able to get his signature we will forward a new copy of the Statement with all inventor signatures.

The present application is a reissue application of original issued U.S. Patent No. 5,633,678.

Applicants believe the claims are now in compliance with 37 C.F.R. 1.173(d), omissions enclosed in brackets and new matter underlined.

If there are any formal matters remaining after this response, Applicants' attorney would appreciate a telephone call to attend to these matters.

In view of the foregoing, this application is believed to be in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,

Attorney for Applicant(s)
